Credit Guide

Thank you for the opportunity to discuss your finance needs. I look forward to supporting and guiding you through the process of obtaining finance.

The service we provide

We are authorised under the National Consumer Credit Protection Act 2009 (**NCCP Act**) to help you choose and apply for a loan which is suitable for your purposes. The NCCP Act regulates the activity of mortgage and finance brokers.

Our aim is to provide recommendations that are appropriate for you and that you have all the information needed to enable you to make a decision.

These recommendations will be based on a consideration of:

- options that align with your circumstances, needs and objectives;
- your preferences and priorities (e.g. credit provider, features, service);
- product costs and your ability to afford repayments; and
- availability of adequate funds to achieve your goals.

Our services will include:

- assisting you to apply for a particular product with a credit provider;
- assisting you to apply for an increased amount of credit with a credit provider; or
- suggesting that you maintain a particular product with a credit provider.

Panel of Credit Providers

I have access to a panel of lenders through National Mortgage Brokers Pty Ltd (**nMB**). nMB is a wholly-owned subsidiary of Liberty Financial Pty Ltd.

Details of credit providers with whom I have conducted the most business are listed in Appendix A as are the six credit providers with whom National Mortgage Brokers Pty Ltd generally conducts the most business.

Is finance suitable for you?

Under the NCCP Act, we are obliged to ensure that any loan or credit limit increase we help you obtain is not unsuitable for you.

We will undertake a preliminary assessment to ensure that any credit contract that we recommend is not unsuitable.

The NCCP Act requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

It is important that you are open during our discussions about your circumstances, requirements, objectives, preferences, financial situation and payment capacity. If you knowingly provide incorrect or incomplete information you may impair your credit rating and your ability to obtain finance, and risk breaking the law.

Credit will be unsuitable if it is likely that:

- you will be unable to comply with your financial obligations under the contract;
- you could only comply with your financial obligations under substantial hardship (such as having to sell your principal place of residence); or
- the credit contract will not meet your stated requirements or objectives.

Recommendation and advice

In all cases, our advice will be in the form of a written recommendation.

I will guide you through the process so you are equipped to make an informed decision. I will complete a preliminary assessment and product proposal which I will present to you for consideration.

You may request a copy of your preliminary credit assessment for up to 7 years after we've assisted you, free of charge.

Commissions and payments

We receive commission and in some cases, fees from the credit provider for the products we arrange. I normally receive part of these payments directly or indirectly from National Mortgage Brokers Pty Ltd.

We may share a part of the commission with a third party who has referred you to us. Any commission we pay to a referrer is at no extra cost to you.

You can ask me for a reasonable estimate of any of these payments and how they are calculated.

Protecting your privacy

We are committed to the protection of your privacy.

We will collect information about your financial position and needs in order to provide services to you. The NCCP Act requires us to collect this information to undertake the assessment mentioned above. If you withhold this information, we will be unable to provide you with these services.

We will share your personal information with nMB and its related companies, our service providers and the credit providers that we apply to on your behalf.

We will ask you to authorise us as an access seeker to obtain your credit report on your behalf.

We may share your information with service providers located overseas in countries listed in our Privacy Policy.

You can access further information about how we manage your information and your rights by visiting nmb.com.au and searching 'Privacy'.
